FCC MAIL ROOM

PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 284A at Asherton, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 284A to Asherton, Texas, as that community's first aural broadcast transmission service. Asherton is a city with a population exceeding 1,650 people. Asherton has its own mayor, Sam Galvan, its own post office, its own City Hall and local churches. The proposed channel 284A will provide additional diversity and an outlet for local self-expression to Asherton residents and therefore is in the public interest.
